The diagram shows a 3rdCAR system with four lanes. The top bar is labeled "3rdCAR" and contains a row of 16 black squares, with the last two being double squares. Below this, the left side of the diagram shows a vertical stack of squares: 3 rows of 4 black squares, 1 row of 5 black squares, 1 row of 4 blue squares, and 1 row of 3 black squares. A blue line is drawn under the blue squares. The right side of the diagram shows four lanes, each with a large gray rectangle and a small black square below it.
